### About University of Tehran:

The University of Tehran is Iran's oldest modern university. It is also one of the most prestigious universities in Middle East. Based on its historical, socio-cultural, and political pedigree, as well as its research and teaching profile, UT has been nicknamed "The mother university of Iran" and is the symbol of higher education in Iran. It is always ranked as one of the best universities in Middle East in national and international rankings and one of the best engineering educational programs in the world. It is also the premier knowledge producing institute among all OIC countries. The univ... [more](#)
